

Martin Sonne, CPA, MBA, C.Dir – Treasurer & Board Member

Martin Sonne is a senior finance and operations executive with over 20 years of experience leading strategy, financial management, and governance in sectors such as consumer packaged goods, manufacturing, distribution, and professional services. He has managed operations for organizations with revenues exceeding \$1 billion and has played key roles in mergers, acquisitions, and corporate transformations.

As a Chartered Professional Accountant (CPA, CMA), Chartered Director (C.Dir), and MBA graduate from the Schulich School of Business, Martin is highly regarded for his expertise in financial planning, governance, and organizational leadership. His career includes senior executive roles—Chief Financial Officer, Regional Finance Director, and Country Controller—and board service in both corporate and nonprofit settings.

At Don Valley Community Legal Services (DVCLS), Martin is the Treasurer and a Board Member, contributing financial oversight and supporting DVCLS's mission to deliver accessible, high-quality legal services to the community.

Martin is a strong advocate for servant leadership and is committed to building organizations that empower people and deliver results that matter.
